

MERCHANT PAYMENTS

Regardless of your business, accepting credit cards is an easy way to boost sales, expand your customer base, and reduce risk as well as the burden of billing and collections.

That's why we've partnered with TransFirst, one of the nations leading payment processors, to bring you in-depth industry expertise and cutting-edge technology. Plus, if your business already accepts credit card payments, our services can make your life even easier.

Our wide selection of secure and dependable, Web-based payment processing solutions and merchant programs include:

- Check verification and guarantee services
- Electronic check conversion
- Debit card acceptance
- Gift and loyalty card programs
- Wireless, handheld solutions
- Healthcare insurance eligibility verification
- PCI Standards programs

Featured Products
